AquaFLEX™

Clear
Underwater Sealant

Stops Leaks!

Creates an invisible, waterproof seal around returns, drains, skimmers, jets, gutters, grates, light niches, tiles, steps, cracks and other areas.

This optically clear, super flexible sealant “spreads like butter” sealing the toughest leaks around trouble spots.

AquaFlex™ won't yellow over time or break down in sunlight or chlorine.

There's simply NOTHING LIKE IT available anywhere else!
